

WHAT PARENTS SAY

My son enjoys and looks forward to attending kinder. It's a very warm and welcoming atmosphere. The teachers are marvellous with the children. **Trish**

When I drop off my son at Frances Sullivan Pre School in the morning I leave knowing that he will be well looked after and is in for a day of enjoyable activities. This is evident when he is picked up at the end of the day and always has stories to tell me. The staff are caring and totally committed to the children's well being. **Joanne**

Each term the classroom looks different, with new and wonderful things to explore, learn, touch and imagine. My daughter loves the dramatic play corner where she is free to pretend she is a doctor, patient, mother, father, etc. **Jo**
