- a great place to learn -

early childhood management services
making a positive difference

About us

- ★ Interlaken Kindergarten was established in 1964 and is an important part of the Rosanna community.
- ★ We offer excellent educational kindergarten programs for both three and four year old children.
- ★ We provide a safe and secure environment where each individual child can express themselves and enjoy kindergarten.
- ★ Our program provides children with the opportunity to grow and develop through play – the way children learn best.
- ★ Our indoor and outdoor facilities offer children of all abilities a wide range of experiences that are both fun and challenging.
- ★ Our experienced and qualified early childhood staff develop and implement high quality programs, and provide an emotionally warm and intellectually stimulating environment for the children.

We strive to

- ★ Provide your child with a happy, safe and stimulating environment.
- ★ Facilitate your child's learning through play and work activities on an individual and group basis.
- ★ Provide a quality educational program that meets the individual needs and developmental stages of your children.
- ★ Encourage and implement parent participation in both the children's programs and the kindergarten committee of management.
- ★ Prepare your child to be ready and eager for further learning once they start school.

Our staff

- ★ Are highly dedicated and qualified teachers.
- ★ Offer a wealth of experience and understand the importance and value of their roles in nurturing, guiding and educating kindergarten children.
- ★ Encourage parents/guardians to participate in and share your child's kindergarten experience.

All kindergarten sessions are conducted by one teacher and their assistant.

Our program

- ★ Offers a curriculum based on topics and themes important to the development, interests and needs of the children.
- ★ Covers activities in early literacy, numeracy, science, the environment, art and music, through to guided social play and free unstructured playtime.
- ★ Aims to develop and extend children's cognitive, social, emotional, physical and language skills.
- ★ Offers a wide range of indoor and outdoor activities designed to meet the individual needs of children.
- ★ Provides visits to the kindergarten from outside organisations which present topics of interest to the children.
- ★ Offers four year olds an added experience of an excursion outside the kindergarten.
