## ABOUT us

At Copperfields Preschool, we aim to provide a high quality innovative educational program for all children in a nurturing, trusting and caring environment with a focus on celebrating and encouraging children's individualism and creativity. As a community of learners, we believe an engaging early learning environment:

- ★ is flexible, allowing a variety of activities and contexts to be constructed from a variety of real life objects.
- ★ has ongoing interaction between children and teacher.
- ★ is colourful and stimulating.
- ★ is inclusive.

*Our Kinder program is designed to cater for each child's interests and needs and to foster the development of abilities, attitudes and skills that will assist the child's life long learning.*

## we strive to

- ★ provide opportunities for children to participate in all types of play.
- ★ bring a deeper understanding to learning situations.
- ★ teach basic social interactive skills to enable children to feel included and accepted.
- ★ to encourage children to take risks and engage with their peers and surroundings.

## we BELIEve PLAY

- ★ helps children understand their world by 'playing out' what they have seen in the real world
- ★ helps children learn through an interactive environment which is responsive to their needs
- ★ gives the children a chance to communicate with peers in a comfortable environment.

## OUR PROGRAM

- ★ encourages children to express themselves and communicate with others.
- ★ helps children to form basic concepts that help them understand their world.
- ★ develops self-confidence.
- ★ encourages children to make new friends.
- ★ teaches children to share and co-operate with others
- ★ develops physical skills.
- ★ develops a positive attitude to learning.
- ★ includes pre-reading, writing and mathematical activities.
- ★ helps children learn to be responsible for themselves and their belongings.
- ★ teaches children to be responsible for their own behaviour and make sensible choices.
