## About us

- ★ At Seaholme Kindergarten we believe children grow, develop and learn through play.
- ★ We have a big bright class room and a lovely large playground.
- ★ We strive to nurture each child's sense of independence and creativity while encouraging a genuine love of learning.
- ★ We offer a flexible educational program within a safe, warm and caring environment.
- ★ We plan many special events and celebrations throughout the year which involve the whole family.

We provide a rich play-based learning environment.

## We believe

- ★ In respecting and caring for our environment.
- ★ In accepting and respecting every child and their family.
- ★ That kindergarten helps ensure children are socially and emotionally ready, not only for school but for life.
- ★ In valuing individuality and freedom of expression.
- ★ In promoting independence and encourage all efforts.

## Our program

- ★ Is emergent and planned according to the individual children's interests, needs and strengths as well as incorporating ideas from their families and local community.
- ★ Our program provides children with the opportunity to investigate, experiment and discover new experiences at their own pace.
- ★ Works to provide a sense of cooperation and friendship amongst families in the centre.
