

2023 Proposed Kindergarten Timetable

For over 25 years ECMS has provided children with opportunities to develop the skills, knowledge, traits and characteristics needed to be active explorers of life and learning. Now more than 60 services across Melbourne deliver high-quality and inclusive play-based early learning and care to over 6,500 children each week.

Across most Local Government Areas in Melbourne both 3 and 4 year old kindergarten applications are via a central enrolment process managed by the local council. We strongly suggest checking the [City of Kingston website link](#) for relevant kindergarten enrolment information and registration to ECMS services in your area.
