

Early Childhood Management Services

3 year old Kindergarten Application Information

ECMS offer early years programs in many locations across Melbourne (see attached list). To find out more about these programs, go to www.ecms.org.au/kindergarten-programs-melbourne

Your child is eligible to attend an ECMS 3 year old kindergarten program if:

- they are 3 or will turn 3 years of age on or before 30th April in the year they start attending* AND
- they are fully vaccinated for their age (see No Jab No Play below for more info)
- If your child turns 3 after the 30th April, you may apply, however you will be placed on our waiting list. Once your child has turned three, and a position becomes vacant, we will contact you accordingly.

*Please note that if your child turns 3 between the start of term and the 30th April, you can accept a place but will not be able to attend until they turn 3. To accept and hold a place until your child turns 3 you will need to pay the full term fees.

No Jab, No Play

The Victorian Government has amended the Public Health and Wellbeing Act 2008. The Public Health Amendment (No Jab No Play) Act 2015 means that Early Childhood Education and care services cannot enrol a child, unless the parent/guardian has provided documentation that shows the child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind with their vaccinations, or has a medical reason not to be vaccinated.

You will be required to provide your child's Immunisation History that indicates status of current immunisations and the due date of their next immunisation.

How do I apply?

Application forms are available through

- ECMS website www.ecms.org.au
- Participating kindergartens
- Enrolment Officer – email: enrolments@ecms.org.au ph: (03) 8481 1117

Applications will be accepted from the first Monday in March for programs running the following year. All applications will be date stamped and entered into the system in date order. Applications received before the first Monday in March will be returned.

Confirmation of receipt of your application will be sent via email.

To apply:

1. Complete the enrolment application form. Use separate forms for multiple children (e.g. twins).
2. Return documents via email or post to address listed on application form

Will my child get a place?

You will be notified of the outcome of your application in a Letter of Offer in August. Places will be allocated in the order in which applications are received. However, please note that ECMS has a policy of prioritising children at risk, children with additional needs and Aboriginal and/or Torres Strait Island children.

Unsuccessful applicants will also be notified and placed on a waiting list. If you would like to be removed from a waiting list, please let us know.

Accepting, deferring or declining your offer

Once you receive your Letter of Offer you need to return the Confirmation Form (included with the offer) to accept, defer or decline the offered place. This should be returned within 2 weeks of receiving the offer.

Although we will endeavour to place families in their 1st preference unfortunately not all families will be able to be accommodated and therefore will be placed in their 2nd or 3rd preference.

4 Year Old Kindergarten

Entry into a 3 year old kindergarten does not guarantee a place in the 4 year old program at the same kindergarten. 4 year old application should be made directly to your local government. For more information visit your local council website or the kindergarten page of the ECMS website www.ecms.org.au/all-ecms-kindergartens

Overview

1. Application opens first Monday in March the year before your child will attend
2. Return completed application form to ECMS via email or post
3. Letters of Offer posted to families around August in the year prior to enrolment
4. Return the Confirm Form to accept / decline or defer offer

3 year old Kindergarten Application Form

Please complete all sections on both pages of this form. Otherwise we will be unable to process your application and it will be returned.

Child's details
